**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My provider actually gives me the speeds they've advertised and at a much more reasonable price than was otherwise available. Before my provider became available I only had one option for an ISP and I was never happy with the options they offered me. Of course they've changed those options now that there is a competitor in the area.
